

TOP 10 MONEY SAVING TIPS

Start saving money on your household expenses, so you can spend more time doing what you love.

1. Take a close look at where you are actually spending your money. Even the small stuff.
2. Opt for cooking a home cooked meal 90% of the time. Skip the takeout.
3. Start bringing lunch and coffee from home. Skip the drive thru and the takeout. Brown bag it.
4. Start shopping around. Forget the loyalty thing. Check the store flyers and sales.
5. Clip coupons, shop sales, bulk buy and stockpile your way to saving money.
6. Stop trying to keep up. Live within your means.
7. Ditch the paper products and single use items. Opt for reusable napkins and etc.
8. DIY it. Make your own cleaning supplies, baking mixes and gifts.
9. Plan no spend weekends, opt for frugal & cheap activities. Plan potlucks parties and movie nights.
10. Set a budget and stick to it. Pay with cash. Create a plan. Make your money work for you.
